- Prevents unnecessary placement of youth outside of home.
- Support and skill training for foster care placements.
- Diagnostic assessment services.

We are licensed by the Department of Human Services to provide Minnesota families with adoption services.

- Recruitment and preparation of adoptive families and adoptable children and youth.
- Counseling and special training for the adoptive family.
- Preparation of the child for adoptive placement.
- Case management and supervision of the child's adoptive placement.
- Referral services.

Alternative to Residential Treatment

Help for chemically dependent, seriously and emotionally disturbed youth, or any other youth needing an intensive treatment model.

- An alternative to residential placement or as an after care program.
- Experienced social workers provide weekly case management.
- Increased supervision in a structured living environment with experienced foster parents.
- Independent living skills training.
- Foster care parents with specific areas of expertise receive additional respite and allowance.

Specialized Foster Care

For youth who require out of home professional care in the least restrictive environment.

- Licensed through DHS Rule 4.
- Assistance for youth in transition from residential treatment.
- For youth with special needs such as emotional, behavioral, correctional, or developmental parents.
- Intensive involvement of biological parents.
- Individualized treatment plans.
- Transition youth to independent living.
- Whole family placements.

Family Focus is a private foster care, adoption and certified therapeutic supports agency. We provide adoption services to children under state guardianship or tribal guardianship at minimal costs to the families or county agencies contracting for these services.
